### **Technical information**

Your submission reply and personal data will be collected through the online registration tool. The online registration tool of the European Commission abides by the Commission's security decisions and provisions established by the Directorate of Security.

All received Personal Data will be held on internal corporate servers with access restricted to members of the project team, including the evaluators. Any Personal Data shall be processed by the evaluators under the instructions of the European Commission as data controller, solely in connection and for the purposes of the call.

### **3. Retention Period**

At the end of the selection process and upon request from the data controller, all Personal Data will be destroyed, using industry standard secure wiping techniques and by the end of 2020 at the latest.

However, data encoded as record of reception of the tender is kept as it was at the time of reception, as required by the Commission registration rules - (SEC(2003)349). The updated data - address or contacts - are used for correspondence and exchanges that follow.

By accepting this specific privacy statement you grant the European Commission permission to publish your personal details (only given & last name, nationality, country, city, excluding contact details) if your submission is successful.

Otherwise, your personal information will be available to members of the Unit organising the competition inside the Directorate General for Education, Youth, Culture and Sport, and the evaluators.

### **4. How do we protect and safeguard your information?**

Your replies are recorded in a secured and protected database hosted by the Data Centre of the European Commission, the operations of which abide by the Commission's security decisions and provisions established by the Directorate of Security for this kind of servers and services. The database is not accessible from outside the Commission. Inside the European Commission the database can be accessed using a UserId/Password by authorised staff only.

The collected personal data may also be transmitted to the evaluators which, acting as processors, have to guarantee the data protection and confidentiality required by the Regulation EU 2018/1725.

### **5. How can you verify or modify your information?**

In case you want to verify which personal data is stored on your behalf by the responsible controller, have it modified respectively corrected or deleted, please contact the Controller by using the Contact Information below and by explicitly specifying your request.

Your personal data will remain in the database until the results have been completely analysed and will be rendered anonymous when they have been usefully exploited, and at the latest by the end of 2020, with the exception of data encoded as record of reception as required by the Commission registration rules - (SEC(2003)349). The updated data - address or contacts - are used for correspondence and exchanges that follow.
